Student Employment Opportunity

Operations Intern

Are you curious to learn and be part of a dynamic team? Are you self-driven and want new challenges that will give you the skills to launch your career in aviation? The Charlo Regional Airport Authority (CRAA) is looking for an Airport Operations Intern to help us maintain and manage the operations of the Charlo Regional Airport.

Tasks will include:

- Assist with airfield operations
- Maintain grounds
- Perform various repairs

This is a great opportunity for you to learn more about the aviation industry and gather valuable skills to help you with your chosen career.

Applicants must meet the criteria set out by either the Canada Summer Job Program or the New Brunswick Student Employment Experience Development (SEED) Program.

Please forward your resume and a cover letter to info@charloairport.ca and include your name and the position you are applying for in the subject line.

We thank all applicants for their interest however, only those selected for an interview will be contacted.
